In vineyard

The 32 hectares of splendid vineyards belonging to Castello Bonomi winery stretch across a small, precious paradise in the southern most part of Franciacorta.
The 2021 vintage proved to be exceptional for Castello Bonomi, comparable to two of the finest vintages in our history: 2011 and 2016.
After a rainy spring, the summer was hot and dry until July 20th. The rains that followed allowed the vines to recover beautifully, leading to optimal grape ripening.

In cellar

After a brief maceration on the skins to extract the color, the must ferments in stainless steel at controlled temperatures. The aging process continues for 7 months, followed by tirage (bottling for the second fermentation). Our Rosé is made from 100% Pinot Noir grapes, with the color signature imparted during the harvest. It ages for about 36 months on the lees.

Tasting notes

On the nose, fresh red fruit notes emerge: currant, raspberry, and pomegranate are the main markers. On the palate, it is balanced and fragrant, with an excellent acidic vein ensuring drinkability. Its structural complexity makes it a rosé that can also age well.

Plus

This Rosé, made from 100% Pinot Noir grapes, is one of the finest expressions of the greatness of this variety.

Pairings

Ideal for simple yet flavorful dishes. Excellent with seafood-based pasta dishes and shellfish. It also pairs well with light dishes such as stuffed vegetables.

Taste at 6-8 °C

12,5% Vol.

Bottle size: 0,75 l - 1,5 l
Sulphite content: 67 mg/l
Sugars: 2,5 gr/l
Acidity: 7,6
PH: 3,00
